DESTINATION DUBAI

Continually ranked as one of the world's safest places to live in, Dubai offers a tax-free lifestyle and is widely regarded as the business hub of the Middle East. With direct air connections to 220 destinations worldwide, its accessibility, together with the city's cultural diversity, infrastructure and hospitality resources, make it the ideal meetings and events destination, as well as a popular tourist attraction.

INSPIRATION REDISCOVERED

An inspiring, modern fixture of the evolving canvas that is Dubai, Le Méridien Dubai Hotel & Conference Centre has been newly renovated and invites rediscovery. A stimulating environment conducive to business success, the hotel offers a resort-style setting with sprawling sub-tropical gardens and expansive space that aim to impress.

Le Méridien Dubai is the perfect blend of inviting spaces, recreational facilities and extraordinary culinary experiences. Conveniently located just five minutes away from Dubai International Airport, the hotel is the ideal venue for meetings and conferences, while the city's main commercial and shopping district is an accessible 15-minute drive away.

REFINED AND RELAXING HOTEL ROOMS

Contemporary and chic, Le Méridien Dubai Hotel & Conference Centre offers 383 rooms and suites, with the ground floor rooms offering direct access to the gardens or pools. The brand new 196-room Royal Club wing features spacious 52 square metre rooms, a dedicated spa floor and a complimentary Club Lounge that invites interaction and relaxation. Guests looking to rejuvenate mind, body and spirit will find that the hotel offers five pools and one of the largest fitness facilities in Dubai, with state-of-the-art equipment and expert trainers.

HOSTING EXCELLENCE

Le Méridien Dubai Hotel & Conference Centre's 5500 square-metre banquet and conference facility is equipped to

accommodate the most demanding business meetings as comfortably as a social gala. Dedicated banquet and conference spaces comprising 25 function rooms are equipped with the latest technological support, designed to meet or exceed industry standards. Le Méridien Dubai Hotel & Conference Centre now offers one of the newest and largest conference and banqueting facilities in Dubai. The hotel can accommodate up to 1,500 attendees and features high-tech equipment, direct ballroom access, unique show kitchens, outdoor event spaces and extensive parking.

Whether you're in town to explore Dubai or for a creative meeting of minds, the hotel offers the perfect blend of stimulating space, convenient location and range of facilities to make every stay or meeting a success.

Rediscover Inspiration at Le Méridien Dubai Hotel & Conference Centre.

GREAT BALLROOM

Elegantly appointed, the Great Ballroom with its vast foyer is ideal for large gatherings and can be used in conjunction with the adjoining Falcon Ballroom to accommodate more than 1500 people.

It is the perfect venue for hosting large conferences, exhibitions, product launches, concerts, state dinners and business meetings, and features the latest technological equipment, unique show kitchens and extensive parking. On the mezzanine level, a bridal suite and a majlis overlooking the Great Ballroom add another dimension to this exceptional space

WASL BALLROOMS

1 - 3

Tastefully designed with modern furnishings, the newly built Wasl Ballroom is characterised by subtle yet dramatic use of natural lighting at the entrance area, an elegant ambience and the latest IT equipment, making it a superb meetings and events venue.

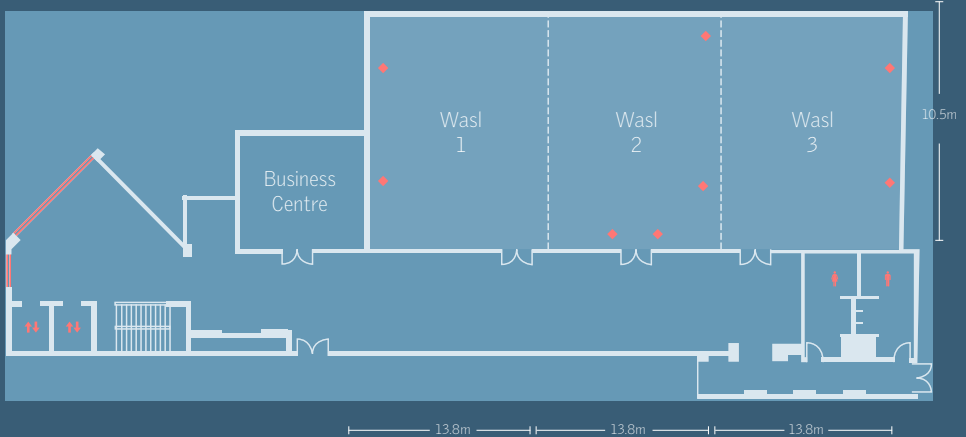

It offers a dedicated Business Centre, registration desk and Green Rooms, and features a pre-function area that is ideal for networking and receiving guests prior to entering the ballroom which can be divided into three distinct areas, or utilised as a single space for larger events. If desired, it can be used completely privately, with a separate entrance.

WASL BALLROOMS

4 - 6

The newly built Wasl Ballroom is a versatile venue with the flexibility to host large or small gatherings with equal ease. Sections 4, 5 and 6 of the ballroom, graced by natural sunlight, can be used as three separate spaces, each with its own access and making it perfect for team-building exercises, trainings and meetings.

The ballroom features state-of-the-art screens in addition to the latest LED lighting technology that sets the mood for all occasions, whether small meetings and training sessions, breakout sessions or formal business dinners. Convenient access through the hotel lobby, a large pre-function area for pre-dinner cocktails, and two breakout areas further enhance the Wasl Ballroom's appeal.

GRANADA ROOMS

1 - 4

The teak-panelled Granada Room has been built with flexibility in mind, and can be used as one large venue or divided into four individual function rooms.

The new venue, conveniently accessible through the hotel lobby, can accommodate large gatherings and is also outstanding in its flexibility to host smaller, more intimate events. It can be divided into four exclusive venues, each with a separate access, perfect for team-building exercises, trainings and meetings, with a large pre-function area for pre-dinner cocktails.

FALCON BALLROOM

A magnificent ballroom graced by a regal décor and stunning chandeliers, the Falcon Ballroom covers nearly 1000 square metres. It can easily be divided into two individual venues, each with a separate entrance, and features ample parking space with valet service.

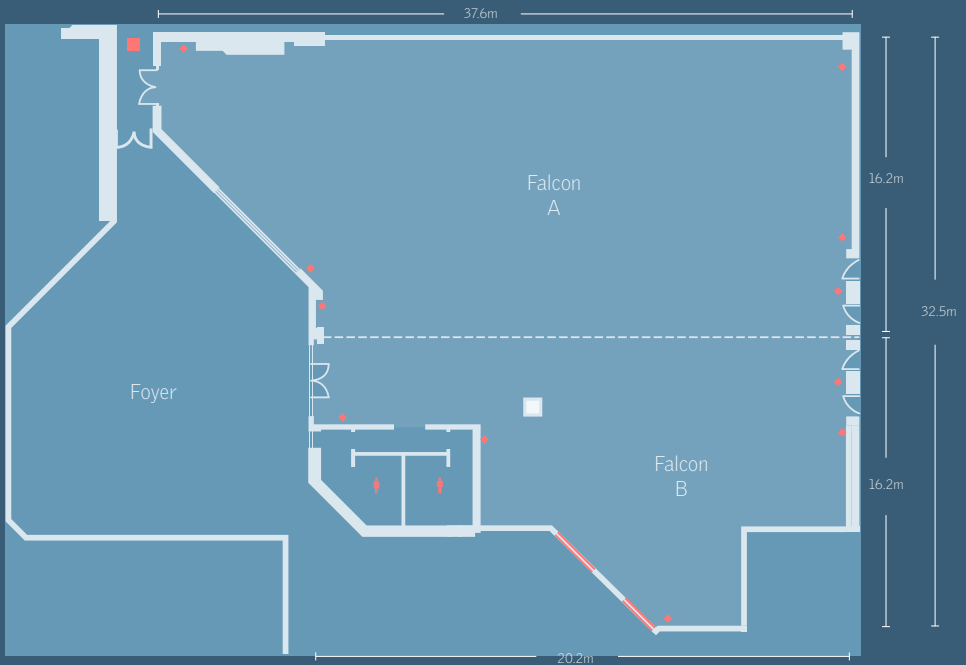

Guests also have the option to network in the al fresco pre-function area before the event. For even larger gatherings, the Falcon Ballroom can be connected to the Great Ballroom to accommodate more than 1500 guests.

SHEIKH SUITE & GARDEN ROOM

With an abundance of natural daylight, the Sheikh Suite is perfectly suited for meetings, intimate dinners, board meetings, press conferences or other social gatherings for up to 50 guests. The main function space opens to an outdoor terrace overlooking the courtyard swimming pool, which is set amidst the hotel's lush gardens.

In the Garden Room, direct access to the terrace and natural light create a sense of openness. It can comfortably host up to 12 guests, and the separate pre-function area can be used for coffee breaks, networking or as a staging area.
