RIYADH CITY

The leading industries in Riyadh, are educational, health, investment, manufacturing, retail trade & constructions.

Saudi Arabia is one of the top twenty economies in the world. It is dependent on oil as the country has the second-largest proven petroleum reserves.

In 2016 the Saudi government launched its vision 2030 to reduce the country's dependency on oil and diversify its economic resources moving towards more free trades and developing other investment sectors (i.e. tourism, entertainment, free trade zones, financial districts, and manufacturing's) in addition to encouraging foreign investments.

WELCOME

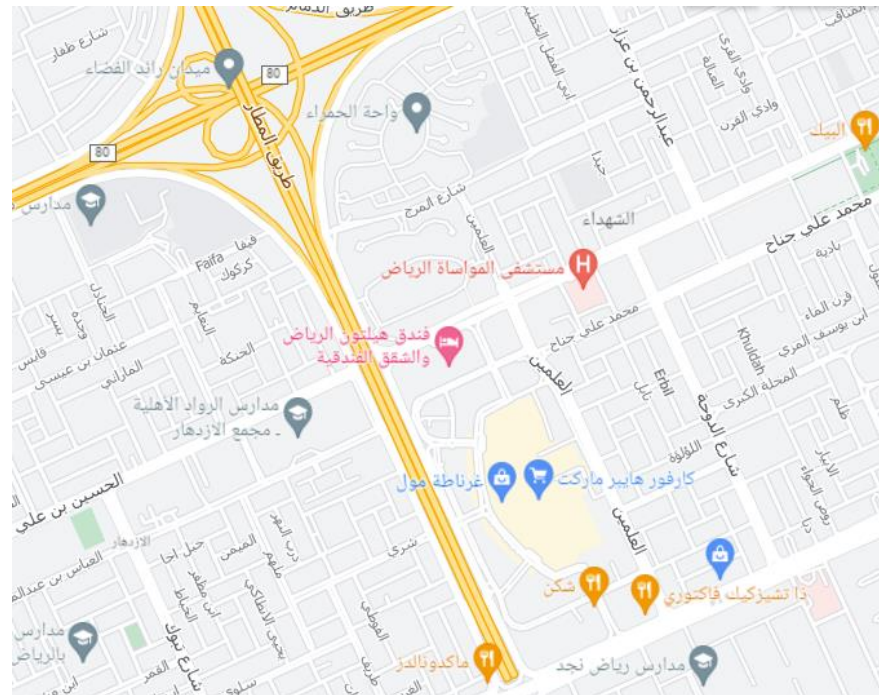

With its stunning glass façade, Art Deco interiors and panoramic views, Hilton Riyadh Hotel & Residences radiates the luxurious vibe.
