HEARTFELT HOSPITALITY SINCE 1971

The name Shangri-La originated from the pages of James Hilton's 1930s novel 'Lost Horizon', in which an idyllic paradise unlike anything seen on earth before is discovered.

Fiction became fact in 1971, when the first Shangri-La hotel opened in Singapore. This marked the beginning of a new standard for hotel excellence in Asia. 2021 celebrates Shangri-La Group's 50th anniversary with the opening of Shangri-La Jeddah.
